1. I am seeking a seat on the charter revision commission in order to make some common sense changes to the city of Detroit's constitution to help the city operate in a more proficient manner. Transparency and accountability are of major importance. If one is elected to hold any public office in the city of Detroit they will be examined closely by the people and if they violate the charter's provisions it will be grounds for termination of employment.
2. I have been the voice of Detroit for 27 years gaining the trust of the citizens of the community at large to educate and inform them of important issues.
3. As a community activist I will bring the pulse of the community and first hand opinion of its people.
4. The Nation of Islam, Councilman Kwame Kenyatta, Rev. Horace Sheffield, Rev. Jim Holley, Rev. Kenneth Flowers and a host of teachers, principals and students at various Detroit Public Schools just to name a few.
5. B.
6. Council by districts, the operation of the cities law department and Charter ethics

7. B.
8. Yes, the police chief should be selected by the Mayor and at the same time should be voted on and approved by City Council in order to be official.
9. The current lack of record keeping and oversight of Detroit's General, Fire & Police Pension Funds is a travesty begging for abuse. The new Charter must correct this malignancy. Pension Funds must be required to maintain records of all trustee expenses, compensation and travel records for a minimum of three years. In addition trustees must report all gifts including dinners, travel expenses and other items of value that exceed fifty dollars provided by entities that have business with the funds including brokers with clients that seek funding from the pension funds. There must be a strong ethical standard of conduct for trustee members of the pension boards and staff. Violation of the Charter provision will be grounds for termination of employment and should the behavior rise to possible violation of the law then the offending staffer may be referred to an appropriate agency for prosecution.
10. Yes I will commit to participate in one or two public candidate forums sponsored by the Free Press.
